COVID-19:

As you are aware, all schools in Hawaii were required to close just before the end of last school year due to the COVID-19 virus. Our Governor has issued guidelines for all Hawaii schools in order for them to re-open for on-campus learning in August of 2020. Please be assured that our CLA Administration takes the health and safety of our students, staff, and CLA Ohana very seriously and has developed our in-house COVID-19 Protocols that we have begun to implement in order to be in alignment with our Governor's orders. We will open for on-campus learning on August 12, 2020. If at any time schools are required to close we will follow our COVID-19 Protocols. Please read the attached Addendum to the handbook so that you are aware of our plan to keep our students current with their academics during any school closures. We have a good plan to keep our school family healthy, and a plan for Distance Learning in case we need it. Praise God.

Financials:

School communication portal – www.clahawaii.getalma.com

The primary way that CLA communicates with school families is through the ALMA program. New families will receive an invitation to set up their ALMA account within a few days of enrolling at CLA. Weekly "Friday Letters" will be emailed from ALMA with information about upcoming events. Attendance, assignments and grades will also be viewable to parents of upper grade level students. Please keep your ALMA information current.

On the following pages you will find a CLA Financial Information Sheet, a CLA School Calendar, a CLA School Supply List, and Lands End Uniform ordering info. If you have any questions please call us any time. We are here to help!
