Introduction

Mission Statement

We seek to train and encourage students spiritually, academically, physically, and socially according to principles from the Word of God (Luke 2:52, Col. 1:28-29)

Importance of the Home

We believe that God commanded that children be taught to love God and place Him first in their lives. We believe that God mandated the authority and responsibility for the education of the children to their parents, Christian Liberty Academy became a partner in training their children. (Gal. 4:2, Deut. 6, Eph. 6:4)

History

Christian Liberty Academy was established in the fall of 1985 by Mrs. Melinda Whitfield Ha'o. While awaiting the birth of her daughter she felt led by the Lord to homeschool her son. A few other parents approached her and asked her to consider tutoring their children. Mrs. Ha'o had an immense love for teaching and agreed to work with the other children. In a short amount of time she had grown to have 11 elementary students attending her "classroom" in her home's garage. A short time later she began tutoring several teenage boys in the afternoons. The students were all enrolled under Christian Liberty, a satellite school.

CLA grew quickly and moved over to Grace Baptist Church in Hilo to accommodate the increase in enrollment. Since that time, CLA has grown into an extensive preschool – 12th grade program. In 1995, property was purchased in Keaau, Hawaii. The school moved into their new facility during the summer of 1999. CLA opened its preschool division in March of 2001 to meet the needs of children ages 3-4.

Corporate Structure

Christian Liberty Academy is a privately run, non-denominational Christian school owned and operated by the Board of Directors of Christian Liberty Ministries of Hawaii. The board is comprised of seven members, and its purpose is to guide in the future direction of the ministry and to direct in the development of policy. The Board also determines if the actions and decisions of the administrators and director are in line with the spirit of the policies. Christian Liberty Academy is recognized by the Federal and State governments as a 501 c 3 non-profit corporation. Christian Liberty Ministries also runs "The Winds" camping program during the summer months for young people of Hawaii.

Affiliation

Christian Liberty Academy is licensed by the Hawaii Council of Private Schools and accredited by the American Association of Christian Schools & WASC (Western Association of Schools and Colleges).

Philosophy

Purpose

The purpose of Christian Liberty Academy is to provide an atmosphere wherein young people are exposed to the absolute truth of God's Word. Jesus instructed His disciples in John 8:32, "And ye shall know the truth and the truth shall make you free". Not only is it our objective to teach the truth, but also to teach our students how to apply the truth wisely to their own lives. In John 16:13, we are promised that "when He, the spirit of truth is come, He will guide you into all truth."

As Christian educators, we desire to train each student to accept individual responsibility to God for his/her own actions and to challenge the students to glorify God in every facet of his / her life.

Christian Liberty Academy has the responsibility to provide the best possible education. A biblical viewpoint in the vital areas of life-spiritual growth education, personal self-discipline, and patriotism- must be strongly stressed during a child's formative years. We desire to minister to the needs of the whole child and to promote his spiritual and moral growth, academic and intellectual progress, and physical and social development.

Christian Liberty Academy is an extension of the Christian home and church, and thus must provide a continuity of training for Christian young people.

Commitment

Christian Liberty Academy is dedicated to providing quality Bible-based instructions, encouraging personal development, promoting Godly living, and preparing students for future endeavors. We strive to provide precise, prompt, and courteous services to students, to parents, to one another, and to the community.

Doctrinal Statement

All staff and board members must uphold the beliefs listed below and testify to them both in conduct and conversation:

1. We believe that the Old and New Testament Scriptures are verbally inspired by God and inerrant in the original writings, and that the supreme and final authority in faith and life.
2. We believe in one God -- eternal, omnipotent, omnipresent,-- manifesting Himself in three Persons -- Father, Son, and Holy Spirit, one in nature, and equal in attributes, power and glory.
3. We believe that the Lord Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and that He is all God and all man.
4. We believe that man was created in the perfect image of God and in a state of innocence; but man willfully transgressed God's law and lost communion with God, becoming dead in sin, corrupt in nature, and incapable of pleasing God.
5. We believe that Jesus Christ died for our sins, according to the scripture, as a representative and substitution sacrifice and rose again, and that all who believe in Him are justified on the basis of His shed blood and are saved by grace through faith wholly apart from human merit and works.
6. We believe that all who are born again by the Holy Spirit and received the Lord Jesus by faith through the Word of God has thereby become the children of God, possessing eternal life.

7. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and His present life there for us as a High Priest or Advocate.
8. We believe in the personal and visible premillennial return of our Lord Jesus Christ to reign upon the earth.
9. We believe in the bodily resurrection of all the dead: the saved to a life of eternal glory and bliss in heaven with God; the unsaved to eternal judgment of conscious suffering and woe in the lake of fire.
10. We believe in separation from all practices that would hinder a believer's testimony and walk with the Lord, since his walk with the Lord and God's everlasting grace is the only Scriptural basis for a useful Christian life.

Philosophy of Education

1. God is the author of all truth and wisdom (Colossians 2:3; Proverbs 1:7)
2. God is sovereign in the affairs of the men and nations (Daniel 2:20,23; Acts 17:22-29)
3. God has revealed Himself in a general way in His creation, in a special way in His written Word, and in a personal way through His Son, Jesus Christ (Psalms 8:3-9; 19:1-6; John 1:14)
4. The Bible is the complete and final authority for all matters of faith and practice; therefore, every subject is to be studied from the perspective of the Word of God (2 Timothy 3:16,17; John 10:35; 2 Corinthians 10:5).
5. The Bible sets absolute moral standards to which we are to conform (Mark 7:14-23; Romans 14; 1 Corinthians 8-10; 1John 3:4)
6. Man was created in the image of God but received a sinful nature because of the fall of Adam. For this reason, a man is born depraved and with darkened understanding (Genesis 1:26-27; Romans 3:22-23; Ephesians 2:1-3, 12; 4:12-27).
7. This darkness is removed by salvation, which is the gift of God and act of grace, received by faith in Christ Jesus (Act 16: 3; Ephesians 2:8-9; 4:17-21).
8. The believer is given the Holy Spirit, who leads and guides into all truth and will comfort in time of need (John 16:13).
9. The ultimate goal of Christian education is the development of Christ-likeness in the life of the student (Romans 8:29)
 - a. This goal is to be accomplished in an educational setting by teaching the student who God is and what He has done (Deuteronomy 6:4-7)
 - b. Through conveying the knowledge of who God is and what He has done, we seek to lead our students into the saving grace of our Lord Jesus and/or into a deeper knowledge of Him (Romans 12:2; Colossians 1:28-29; 2 Timothy 3:14-17).
10. God has mandated the authority and responsibility for the education of their children to the parents.
 - a. We believe the most directly biblical form of schooling is home schooling (Deuteronomy 6:6-7).
 - b. We believe the father must have an active part in the education of his children (Ephesians 6:4).
 - c. Thus

we believe the Christian school receives its authority for educating the children from the parents; therefore, the school is an extension of the home.

11. Effective Christian teachers are those who understand and are committed to these principles of Christian Education. They must be personally committed to Jesus Christ and yielded to the Holy Spirit (John 14:26; 16:13)

All personal items will be kept in the child's cubby. Students may bring a small blanket and a small pillow for nap time (must be able to fit in their cubby). Toys and/or stuffed animals are not allowed at school unless instructed by the teacher.

School Uniforms

Preschool uniforms are purchased from Land's End CLA uniform website and are gray T-shirts with the school's logo and navy blue athletic shorts or knee length skorts with the school's logo. A navy blue sweatshirt with the school's logo may be worn with the uniform in cooler weather. All uniform clothes must be purchased from Land's End CLA uniform website.

Parents may also buy navy blue shorts, long pants, sweat pants or sweatshirts and jackets (with no stripes, logos or pictures on them) from an outside source to supplement the Land's End CLA uniform purchased on the website. Dress up days and free dress days will be communicated by the teacher beforehand.

Covered shoes, sandals with a back strap, or Crocs are the required footwear. Students may not wear

If they already have their ears pierced they will have to remove them before coming to school.

General Regulations

Field Trips

Field trips will be taken to various local places of interest. Permission slips will be sent home to parents at least one week prior to the trip and must be returned before the day of the trip. The student will not be allowed to participate without a properly completed permission slip. **Verbal permission will not be accepted.** Parents are welcome to assist as chaperones and drivers. Transportation costs, as well as admittance fees, will often be the responsibility of the parents.

Visitors

Parents and students must receive permission from the administration/office before bringing any visitors to school. We prefer that parents/students do not bring visitors to school unless they are former or prospective students.

During school hours, parents are asked to check with the office before going to the student's classroom. Personal items that must be delivered to the student should be dropped off and will be taken to the student at an appropriate time.

Health Services

The school is not permitted to dispense medication. Should a child need required medications for allergies (e.g. epi pen, asthma inhaler, etc.) they need to contact the office to set up a plan should an emergency arise with their child.

Students who are unable to participate in physical activities must have a doctor's excuse or a note from home.

If a student becomes ill at school, the parents will be notified first. If parents cannot be contacted, names listed on your child's emergency card will be contacted. Parents are encouraged to keep the

school informed of all changes in telephone numbers at work and home. Emergency phone numbers are contacts that must be included in each student's file.

Communicable Diseases

While it is not the desire of CLA to discriminate against any student, we are faced with the challenge of providing a safe haven for those students entrusted to our care by their parents. Our purpose is to protect our students from exposure to communicable diseases. CLA is not equipped to care for the needs of other seriously ill students with chronic, communicable disease. The concern is twofold: (1) To protect students from developing a life-threatening illness, and (2) To protect the ill student from acquiring a disease from his/her fellow students or from a staff member that would endanger his/her life.

Should a student be diagnosed with any childhood communicable disease, such as, but not limited to, chicken pox, tuberculosis, measles, mumps, etc. he must present a statement of health from an attending physician prior to being admitted back to class.

If there is an outbreak of any childhood communicable disease, the students who have not been immunized due to medical or religious exemptions will not be allowed to attend school.

Covid: As of August 2022, CLA Preschool will follow CLA Elementary School protocols.

Emergency Procedures

In the event of heavy rain, tropical storms, or a tsunami warning, please do not call the school. The information regarding emergency closing of schools will be announced via email. We follow the Department of Education regarding school closure.

Fire drills are conducted periodically throughout the school year in order to teach our students what to do in case of a true emergency.

Code Red Policy

General Information

Our Code Red Policy contains preventive measures to keep students and staff out of harm's way in the event of a school crisis. This policy pertains to any tragic, dangerous (uncontrollable strangers on campus, etc.) or criminal situation that is occurring or has occurred on campus or in close proximity to the campus. (A Code Red Drill is conducted as a practice measure each Semester, and discussed with students in order to keep them informed and aware in the event of a school crisis.) Due to the nature of an emergency situation, it is our intent to notify parents by email as soon as safety permits.

In the event of a school crisis, every effort should be made to notify the school Administrator – Upper Campus Principal – Mr. Troy Rimel : 966-8445 / Lower Campus Principal – Mrs. Andi Shrinski : 966-8866.

In the event of a school crisis, the SCHOOL CRISIS TEAM, (Administrators, Office Personnel, teachers who are having an office hour), will do the following:

- 1) Call 911 – If deemed necessary.
- 2) The School Crisis Team will determine the extent of the crisis.
- 3) If warranted, the School Crisis Team activates the Code Red Signal.
- 4) If possible, the School Crisis Team will check surrounding areas for suspicious activity.
- 5) The School Crisis Team will continue to monitor the situation until the threat of danger has passed, at which time they will issue the All Clear Signal.

What to do if you notice an unidentified or suspicious visitor on campus:

Students should always notify a staff member of any unidentified or suspicious visitor on campus. When notified, a staff member will assess the situation and, if prudent, approach the person and ask if they need help. They will then determine what the need of the person is (looking for a classroom, teacher, or student). They will politely explain to the person that Christian Liberty is a closed campus and accompany them to the main office, taking note of their physical description and attire.

If the unidentified or suspicious person refuses to respond, or behaves unusually, they will enlist the help of other staff members, while continuing to observe the unidentified person.

If at any time it is determined that the unidentified or suspicious person poses a threat to our school community, the staff members will notify the administration that we have a possible Code Red and the School Crisis Team will be activated.

School Property

The appearance and care of our school is a part of our testimony and the testimony of our students. Students are required to help take care of the facilities and property. Willful damage or destruction of school property will not be tolerated. Students will be expected to pay for and, if possible, repair any damage for which they are responsible.

School Details

Academy Colors

Christian Liberty Academy's school colors are orange and blue.

Academy Nickname

Canefire was chosen as our nickname in the summer of 2004. Canefire was chosen because of the history of our community, Keaau, which at one time was sugar cane country. The cane farmers used to set fire to the fields in order to burn off the impurities so that only the cane stalks remained. In the same way the Holy Spirit burns in us to remove all the impurities, preparing us for a life of service. Cane fire is two words; however for our purpose we have combined it into one word, Canefire, to emphasize our unity as one in the Body of Christ. In addition, we leave it in the singular form to further emphasize unity. We burn together as one flame and are thereby known as the Christian Liberty Academy Canefire.

Academy Pep Song

Our alma mater is as follows, and it is sung to the tune of "Beulah Land".

*Hail to Christian Liberty, the orange and blue are fighting
On the courts and on the fields, the Canefire make their stand.
Fears and doubts and things of earth in vain to them are calling.
Win the deeper vic'try – Oh C L A !*

*We're fighting in a battle that the world will never win. We're
Monarchs in the Kingdom; We're joint heirs to the throne. Oh yes
we're looking to the future when we'll wear a golden crown.
For now we're fighting for C L A!*
