# Introduction

## Mission Statement

*We seek to train and encourage students spiritually, academically, physically, and socially according to principles from the Word of God* (Luke 2:52, Colossians 1:28-29).

## Importance of the Home

We believe that God commanded that children be taught to love God and place Him first in their lives. We believe that God has mandated the authority and responsibility for the education of the children to their parents, particularly fathers. Upon the request of the parents, Christian Liberty Academy becomes a partner in training their children (Galatians 4:2, Deuteronomy 6, Ephesians 6:4).

## History

Christian Liberty Academy was established in the fall of 1985 by Mrs. Melinda Whitfield Ha'o. While awaiting the birth of her daughter she felt led by the Lord to homeschool her son. A few other parents approached her and asked her to consider tutoring their children. Mrs. Ha'o had an immense love for teaching and agreed to work with the other children. In a short amount of time she had grown to have 11 elementary students attending her "classroom" in her home's garage. A short time later she began tutoring several teenage boys in the afternoons. The students were all enrolled under Christian Liberty, a satellite school.

CLA grew quickly and moved over to Grace Baptist Church in Hilo to accommodate the increase in enrollment. Since that time, CLA has grown into an extensive preschool – 12<sup>th</sup> grade program. In 1995 property was purchased in Kea'au, Hawai'i. The school moved in to their new facility during the summer of 1999. CLA opened its preschool division in March of 2001 to meet the needs of children ages 3-4. In 2005, the school acquired the Sugar Mill office building on Milo Street directly across from its original property. The high school moved to the Sugar Mill Campus in the fall of 2005, and the name for the upper divisions were changed from Christian Liberty School to Christian Liberty Academy. In 2010 both lower and upper campuses became Christian Liberty Academy.

## Corporate Structure

Christian Liberty Academy is a privately run, non-denominational academy owned and operated by the Board of Directors of Christian Liberty Ministries of Hawai'i. The board comprises five to seven members, and its purpose is to guide in the future direction of the ministry and to direct in the development of policy. The board also determines if the actions and decisions of the administrator and director are in line with the spirit of policies. Christian Liberty Academy is recognized by the Federal and State governments as a 501(c) 3 non-profit corporation.

## Affiliation

Christian Liberty Academy is licensed by the Hawai'i Council of Private Schools and is accredited by the Western Association of Schools and Colleges and the Hawai'i Association of Independent Schools.

# Philosophy

## Purpose

The purpose of Christian Liberty Academy is to provide an atmosphere wherein young people are exposed to the absolute truth of God's Word. Jesus instructed His disciples in John 8:32, "And ye shall know the truth and the truth shall make you free". Not only is it our objective to teach the truth, but also to teach our students how to apply the truth wisely to their own lives. In John 16:13, we are promised that "when He, the spirit of truth, comes, He will guide you into all truth."

As Christian educators, we desire to train each student to accept individual responsibility to God for his/her own actions and to challenge the students to glorify God in every facet of his/her life.

Christian Liberty Academy has the responsibility to provide the best possible education. A biblical viewpoint in the vital areas of life— spiritual growth, education, personal self-discipline, and patriotism— must be strongly stressed during a child's formative years. We strive to minister to the needs of the whole child and to promote his/her spiritual and moral growth, academic and intellectual progress, and physical and social development.

Christian Liberty Academy is an extension of the Christian home and church, and thus must provide a continuity of training for Christian young people.

## Commitment

Christian Liberty Academy is dedicated to providing quality Bible-based instruction, encouraging personal development, promoting Godly living, and preparing students for future endeavors. We strive to provide precise, prompt, and courteous services to students, to parents, to one another, and to the community.

## Doctrinal Statement

All staff and board members must uphold these beliefs and testify to them both in conduct and conversation:

1. We believe that the Old and New Testament Scriptures are verbally inspired of God and inerrant in the original writings, and they are the supreme and final authority in faith and life.
2. We believe in one God -- eternal, omnipotent, omnipresent,-- manifesting Himself in three Persons -- Father, Son, and Holy Spirit, one in nature, and equal in attributes, power and glory.
3. We believe that the Lord Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and that He is all God and all man.
4. We believe that man was created in the perfect image of God and in a state of innocence; but man willfully transgressed God's law and lost communion with God, becoming dead in sin, corrupt in nature, and incapable of pleasing God.
5. We believe that Jesus Christ died for our sins, according to the scripture, as a representative and substitution sacrifice and rose again, and that all who believe in Him are justified on the basis of His shed blood and are saved by grace through faith wholly apart from human merit and works.
6. We believe that all who are born again by the Holy Spirit and received the Lord Jesus by faith through the Word of God have thereby become the children of God, possessing eternal life.
7. We believe in the resurrection of the crucified body of our Lord, in His ascension into heaven, and His present life there for us as a High Priest or Advocate.

8. We believe in the personal, visible premillennial return of Jesus Christ to reign upon the earth.
9. We believe in the bodily resurrection of all the dead: the saved to a life of eternal glory and bliss in heaven with God; the unsaved to eternal judgment of conscious suffering and woe in the lake of fire.
10. We believe in separation from all practices that would hinder a believer's testimony and walk with the Lord, since his walk with the Lord and God's everlasting grace is the only Scriptural basis for a useful Christian life.

## **Philosophy of Education**

1. God is the author of all truth and wisdom (Colossians 2:3; Proverbs 1:7).
2. God is sovereign in the affairs of the men and nations (Daniel 2:20, 23; Acts 17:22-29).
3. God has revealed Himself in a general way in His creation, in a special way in His written Word, and in a personal way through His Son, Jesus Christ (Psalms 8:3-9; 19:1-6; John 1:14).
4. The Bible is the complete and final authority for all matters of faith and practice; therefore, every subject is to be studied from the perspective of the Word of God (2 Timothy 3:16-17; John 10:35; 2 Corinthians 10:5).
5. The Bible sets absolute moral standards to which we are to conform (Mark 7:14-23; Romans 14; 1 Corinthians 8-10; 1 John 3:4).
6. Man was created in the image of God but received a sinful nature because of the fall of Adam. For this reason, a man is born depraved and with darkened understanding (Genesis 1:26-27; Romans 3:22-23; Ephesians 2:1-3, Ephesians 12; Ephesians 4:12-27).
7. This darkness is removed by salvation, which is the gift of God and act of grace, received by faith in Christ Jesus (Act 16:3, Ephesians 2:8-9; Ephesians 4:17-21).
8. The believer is given the Holy Spirit, who leads and guides into all truth and will comfort in time of need (John 16:13).
9. The ultimate goal of Christian education is the development of Christ-likeness in the student (Romans 8:29).
  - a. This goal is to be accomplished in an educational setting by teaching the student who God is and what He has done (Deuteronomy 6:4-7).
  - b. Through conveying the knowledge of who God is and what He has done, we seek to lead our students into the saving grace of our Lord Jesus and/or into a deeper knowledge of Him (Romans 12:2; Colossians 1:28-29; 2 Timothy 3:14-17).
10. God has mandated the authority and responsibility for the education of the kids to the parents.
  - a. We believe the most directly biblical form of schooling is home schooling (Deuteronomy 6:6-7).
  - b. We believe the father must have an active part in the education of his children (Ephesians 6:4).
  - c. Thus we believe the Christian school receives its authority for educating the children from the parents; therefore, the school is an extension of the home.
11. Effective Christian teachers are those who understand and are committed to these principles of Christian Education. They must be committed to Jesus Christ and yielded to the Holy Spirit (John 14:26; 16:13).

## **Reporting Grades**

### **(Report Cards, Mid-Quarter Progress Reports, Low-Achievement Reports)**

Report cards are sent out to the parents every nine weeks via email. Hard copies are available in the office by request. Mid-Quarter Progress reports are sent out at the middle of each quarter via email. Low-achievement reports are used to notify parents that their child is below a 70 (C-). Low-achievement reports are sent out after grade checks every two and half weeks. A low-achievement report will inform the parents of the grade, why the grade is low, and what the student can do to pull the grade up. Teachers are required to communicate the grade to the parent in writing. All classes utilize the online gradebook, Alma. Parents and students should access it often.

## **Principal's List & Honor Roll**

Honor Roll is based upon the student's average grade percentage. Grades are calculated each quarter. Those receiving straight A's will be on the Principal's List (4.0 GPA). Students with all A's and B's and a 3.5-3.99 earn honor roll. Principal's List and Honor Roll will be sent out in the Friday Letter or via email.

Students driving to school must fill out a form and receive permission to drive their vehicle to school (The vehicle used by the student must be registered in the school office). Permission slips are available in the school office. Students who receive permission to drive to school must park in their assigned spot. **Both drivers and passengers need parental permission to be in the same vehicle.** Students cannot drive another person's car, and this could result in a referral. There will be no loitering in the parking lot or in the cars. This includes eating breakfast or lunch.

## Visitors

Parents and students must receive permission from the school office in advance before bringing any visitors to the Academy. We prefer that students don't bring any visitors to school unless they are former or prospective students. Visitors must abide by the same standards of dress and conduct as CLA students.

## **Communicable Diseases**

It is the desire of CLA to provide a safe haven for those students entrusted to our care by their parents. Our purpose is to protect our students from exposure to communicable diseases. CLA is not equipped to care for the needs of other

seriously ill students with chronic, communicable disease. The concern is twofold: (1) To protect students from developing a life-threatening illness, and (2) To protect the ill student from acquiring a disease from his/her fellow students or from a staff member that would endanger his/her life.

Should a student be diagnosed with any childhood communicable disease, such as, but not limited to, chicken pox, tuberculosis, measles, mumps, etc., he or she must present a statement of health from an attending physician prior to being admitted back to class.

If there is an outbreak of any childhood communicable disease, the students who have not been immunized due to medical or religious exemptions will not be allowed to attend in person classes and may be placed on SDLP (Simultaneous Distance Learning Program).

## **Emergency Procedures**

Be sure to keep your contact information up to date in ALMA as that is how the school will reach you in case of an emergency.** We follow the Department of Education regarding school closure.

Fire drills are conducted periodically throughout the school year in order to teach our students what to do in case of a true emergency. Staff and faculty are trained and instructed on how to conduct fire drills and emergency procedures.

## **Code Red Policy**

### **General Information**

Our Code Red Policy contains preventive measures to keep students and staff out of harm's way in the event of a school crisis. This policy pertains to any tragic, dangerous (uncontrollable strangers on campus, etc.), or criminal situation that is occurring or has occurred on campus or in close proximity to the campus. A Code Red Drill is conducted as a practice measure each Semester, and discussed with students in order to keep them informed and aware in the event of a school crisis. Due to the nature of an emergency situation, it is our intent to notify parents by email as soon as safety permits.

**Parents and students should always notify a staff member of any unidentified or suspicious visitor on campus or of any potentially dangerous activity.**

**In the event of a school crisis, every effort should be made to notify the school Administration – Upper Campus: 966-8445 / Lower Campus: 966- 8866.**

## **School Property**

The appearance and care of our school campus is a part of our testimony and the testimony of our students. Students are required to help take good care of the facilities and property. Willful damage or destruction of school property will not be tolerated. Students will be expected to pay for and, if possible, repair any damage for which they are responsible. Any student caught writing on the school furniture or equipment will be charged a \$7.00 maintenance fee.

Students should keep the inside and outside of the building and surrounding areas neat and clean. The tidiness and appearance of the school building during the day depends on each student's cooperation in keeping locker areas and classrooms in order. Teachers should assist with keeping classrooms tidy.

All school-owned textbooks are to be covered within one week of being issued. Damages to school-owned textbooks and equipment will be the responsibility of the students to whom they are assigned.

## **School Hours**

The regular school day runs from 7:55 a.m. – 2:35 p.m. The office hours are from 7:30 a.m. – 3:00 p.m. During the summer, the office will be open from 8:00 a.m. until 12:00 p.m. daily - except for holidays and weekends.

## **THE MOSS Hours**

The Moss will be open from 7:20 a.m. – 7:45 a.m. / 12:05 p.m.- 12:25 p.m. / 2:35 p.m.- 2:55 p.m. daily. The Moss will also be serving lunch items daily for high school students. They also have limited breakfast items, snacks, juice, and water. Regular schedule lunch items listed on the school calendar will be served out of The Moss. The Moss is managed by the Christian Liberty Academy SAC.

## **Arrival to School**

All students must be dropped off at the back Courtyard Entrance. We recommend students not arrive before 7:20 a.m. because there are no teachers on duty until 7:20 a.m. If a student is dropped off earlier than 7:20 a.m. they must remain in the courtyard until the on duty teacher arrives.

If parents wish to visit the school office they must drop their child off at the Courtyard entrance, park in front of the school, and enter the main office doors. Parents and visitors are not allowed to walk through the Courtyard to go to the office.

## **After School Program**

There is no after school program for 9<sup>th</sup> through 12<sup>th</sup> graders.

## **Class Preparation**

A student should come to each class period with all the necessary items that may be needed during that class period. If the student forgets a book they may rent a textbook from the teacher for \$0.25 for that class period. A student who consistently comes to class unprepared can be written up for "lax attitude" towards academics which is a "B" Offense.

## **Homework**

The purpose of homework is to strengthen classroom taught subjects by practice and drill. Research for different projects is done as homework assignments. Parents are asked to insure that students do homework assignments. These assignments are expected to be turned in promptly, and parents will be notified if a student is delinquent in this matter. Failure to do homework will affect the grade of the student.

## **Make-up work**

When a student is absent from class and the absence is excused, he will be allowed equal time to the number of days absent to make up work. The student should check with each of his teachers to determine when the work will be due. If the absence is unexcused, the student may receive a "0" for all work missed. Make-up work during times of cuts should be turned in the day a student returns to school from a cuts break unless the teacher gives an extension.

## **Attendance and Tardies**

We feel that regular attendance and promptness is very important in education. If a student misses more than 20 days in a year, the school has the right to not promote the student to the next grade. Absences will be excused for personal illness, death in a family, and other emergencies. If the student is to be absent for any other reason, the student must fill out and turn in a Cuts Slip at least two days before the student is to miss school. If the student does not fulfill these responsibilities, the absence is not excused. A student may miss no more than 5 days a semester for cuts or sickness; however, the student will be responsible to complete all missed assignments.

School begins promptly at 7:55 a.m. Any student arriving after 7:55 a.m. will be marked tardy. Any student arriving after 7:55 a.m. should immediately report to the office to verify their attendance. If a student arrives after 10:30 a.m., it is counted as an absence. The administrator reserves the right not to re-enroll a student who is consistently late or absent. Parents, please note that your child's absences and tardies will be recorded on the quarterly report cards and on their high school transcript.

## **Early Dismissal**

Parents who wish to pick their children up before regular dismissal time should notify the office personnel the morning of the early dismissal. A note is needed stating the time and reason for the early dismissal. Whenever possible, please make a doctor or dental appointment after school hours. Parents need to sign their child out before the student leaves.

## **What Not To Bring To School**

Anything that promotes a negative influence on our students should not be brought to school. These items will not be allowed on campus or any school function (including before and after school hours or athletic practice/clubs). Personal entertainment devices should not be used during school hours, and also students run the risk of these costly items being lost or stolen.

## **Boy-Girl Relationships**

Boys and girls are expected to maintain Biblical standards of moral conduct. Immoral or indecent behavior in private or in public will subject the students to disciplinary action. Handholding, embracing, kissing hello/goodbye, or other such physical contact between dating couples is not permitted at school or any school-related functions. Couples are not to go off alone at any time while under the school's supervision.

## **Off-Limit Areas**

Students who wish to visit an administrator must go to the office and seek permission from the office clerk. The office clerk will check the availability of the administrator. If the administrator is not available, an appointment may be scheduled. Students are not allowed in the administrative office area without permission.

Students who must go between the Lower Campus and the Upper Campus must use the designated walk-ways. Students must use the crosswalk by the Lower Campus' lower gate. No student is to cross the road unless using the crosswalk. When walking on the Lower Campus driveway students and faculty are to use the designated sidewalk when working as a teacher's aide or going to physical education class.

Students are forbidden to go to the lower sections of the Mill Property (unless escorted by a faculty or staff member).

Students may only go as far as the student parking area. No loitering in any vehicle or in the school parking lot. Students are not allowed to go to the upstairs vault area without a faculty or staff member's permission.

## **Lockers**

All academy students will receive a locker assignment. Students are not allowed to decorate their lockers with anything that is permanent or that leaves a mark (such as stickers). Students are not allowed to have any objectionable material in their lockers. Anything left on top of the lockers will be taken to lost and found. It is recommended that students lock their lockers with either a key lock or a combination lock. Combinations and extra keys must be turned into the office.

## **Extracurricular Activities**

### **Athletics**

Christian Liberty Academy is a member of the Big Island Interscholastic Federation and the HHSAA.

The purpose of the athletic program at CLA is to provide the means by which a student may participate in sports under the tutelage of a Christian coach. Through athletics we seek to familiarize our students with the principles of setting goals both for the team and the individual. We seek to teach the athlete the importance of teamwork as well as obeying authority. We desire that the athlete learns the fundamental skills associated with the sport that he/she is involved in, and this increases the enjoyment of the game through active participation. Most importantly, we seek that a participant realizes that the talents and strength that he/she possesses are gifts from God. It is important that each participant uses his/her talents for the glory of God during practice and competition.

### ***Participation Requirements***

1. Proof of Insurance – As a requirement for participation in all sports, student athletes should provide proof of health insurance.
2. Physicals – All athletes must have a yearly physical examination by a licensed medical practitioner. Physical Verification forms are provided through the athletic department.
3. Athletic Fees – Athletes will be charged a \$200 non-refundable fee to participate in any BIIF sport. This fee will be charged to your account and must be paid before the student may participate in preseason practices.

### ***Grade Policy***

All students competing in interscholastic sports must maintain a 2.0 Grade Point Average (GPA), and may not be failing any class at any time during the current grading period (A failing grade is anything less than 60%). The following procedures will apply:

- A. Grade checks will be done for athletes every 2 weeks during the sport's season. Mid-quarter and final quarter grades will be checked and used to determine athletic eligibility.
- B. If an athlete has a grading deficiency at any point during the season, they will not be allowed to practice or play.
  - a. As soon as a deficient GPA or grade is raised the athlete may return to practice.
- C. A grading deficiency received at the end of a grading period, becoming part of the permanent record, will require the athlete to sit out for two weeks. At the end of this time they will receive another grade check to determine their eligibility. Athletes who do not raise their grades after the two week period may be cut from the team.

**\*See CLA's Athletic Handbook for more information on athletics\***

## **Students Genuinely Seeking God (SG<sup>2</sup>)**

Students Genuinely Seeking God (SG<sup>2</sup>) is a spiritual accountability group. This group meets weekly as the schedule allows to encourage one another in their faith. In addition to meeting, their duties include hosting chapel once a semester and participating in the production of the Spiritual Retreats for the student body. They are encouraged to set the spiritual tone for the rest of the student body. In order to serve on (SG<sup>2</sup>) a student must attend church on a regular basis, have a positive Christian testimony among the faculty and students, and be known as a good citizen.

## **Student Activity Council**

The student activity council is made up of class representatives and a student body president. Members of the council are nominated by the student body, approved by the administration and faculty, and elected by the specific classes. This group plans homecoming events, Thanksgiving stew lunch, Walk-in-the-Park activities, and class competitions.

## **Dramatic Productions**

Each year CLA produces a full-length historical dramatic production. Students may be involved in all areas from stage crew to acting. The play is held in the spring of each year after many weeks of rehearsal. In order to participate in the dramatic productions a student must maintain a 2.0 academic average with no Fs in the quarter before as well as during the production. They must be willing to sign a letter of commitment.

## **Historical Tour**

Every two years CLA takes a historical tour to the East Coast of the United States. The trip sets sail from the shores of this amazing Biggest Isle. The 12 day trip includes tours to: Jamestown and Williamsburg, Virginia; Washington D.C.; Gettysburg and Philadelphia, Pennsylvania; Boston, Massachusetts; and New York City. We discuss history from the founding of our country to current political issues being debated on Capitol Hill. The trip is usually taken in the spring of even-numbered years. The trip is limited to juniors and seniors, and they are expected to raise their own funds. A one-half history credit is offered to those students on the trip.

## **Discipline System**

In order for our educational program to be successful, we expect certain standards, attitudes, and cooperation among our student body. The parent's support and cooperation is also needed. It is impossible to make rules to cover every type of infraction. Good behavior comes from the heart and must not be mere conformity to man-made regulations. We base our discipline standards on Romans 13 and I Peter 2:13-25.

Disciplinary offenses are divided into three categories: Class "A", Class "B" and Class "C".

### **Class "A" Offenses**

1. Talking, disrupting, or making a disturbance in class that results in the student being sent out
2. Running in the building or on the sidewalks
3. Loud and obnoxious noise making
4. Horseplay/unnecessary rough housing
5. Unacceptable manners (such as spitting)

When a student is caught committing a Class "A" offense he/she will be given a referral. The student will be expected to sign the referral acknowledging the fact that he/she received the offense. The teacher who writes up the referral will notify the parents within 24 hours (if possible). Teachers can also have the student call the parent in the presence of the teacher. The referral will then be turned into the office.

Outside of the classroom, students may receive a Class “A” offense without a warning. The rules listed in the handbook stand as a warning.

### *Consequences for “A” offenses*

When a student receives a first or second offense in a quarter, there is a verbal warning from an administrator. Three Class “A” offenses in one quarter become a Class “B” offense. At the end of the quarter all Class “A” offenses will be erased from the student’s record. Class “B” offenses remain on file throughout the remainder of the school year.

## **Class “B” Offenses**

1. Using profanity, improper and vulgar language
2. Direct disobedience
3. Lying, cheating, stealing
4. Destruction of property
5. Leaving school or class without permission
6. Participating in any other serious offenses that jeopardize the safety and welfare of other students.  
\*This includes fighting and verbal harassment. These items could cause immediate dismissal.
7. Performing below achievement level and having a lax attitude about academics.

When a student commits a Class “B” offense he/she will receive a discipline referral and report to the office for a meeting with an administrator. The teacher or staff member will notify the parents personally or by telephone as soon as possible. Once again the teacher can have the student call the parent in the presence of the teacher.

### *Consequences for “B” offenses*

**First offense** – Discipline meeting with an administrator. Verbal warning and letter to parents.

**Second offense** – Discipline meeting with an administrator. Written warning in letter to parents.

**Third offense** – Discipline meeting with an administrator. One-day suspension and letter to parents. Evaluation of the student by faculty and staff.

**Fourth offense** – Discipline meeting with an administrator. Three-day suspension and letter to parents.

After a student has received the 4<sup>th</sup> “B” offense he/she may face the following consequences: limited participation in extracurricular activities, and/or school or class field trips.

**Fifth offense** – Discipline meeting with an administrator. Possible expulsion.

## **Class “C” Offenses**

1. Smoking, consuming or having in possession illegal drugs or alcohol
2. Carrying knives, guns or any kind of explosives
3. Terroristic threatening of teachers or other students
4. Possession or distribution of pornographic material
5. Sexual immorality

Any student committing a Class “C” offense will be required to meet with the administration and his/her parents. Immediate expulsion may occur after one Class “C” offense.

It is a privilege to attend CLA. We want our students to truly want to attend and to be educated at CLA. Christian Liberty Academy reserves the right not to enroll or re-enroll any student who willingly displays an uncooperative attitude towards the academics, policies and rules, our Christian beliefs, or shows blatant disrespect towards any member of the faculty or staff.

## Detention

A student who receives a Class “A” referral will serve lunch detention that day or the following day. Students may also receive detention for chewing gum, eating in class, dress code violations, and tardiness. Every five tardies result in a lunch detention.

## Evaluations

Since our objective is to establish in our students a positive attitude towards Christian growth, we seek not to just discipline or correct but to instruct and guide. Although a student’s actions may seem acceptable, through negative comments or a lack of participation his/her attitude may display a hidden struggle. These situations cannot be handled by the discipline system; therefore the evaluation system provides another opportunity to help a student pinpoint and correct a problem area.

### *Process:*

If a teacher notices that a student is struggling with his/her attitude, the teacher may make a request that the student be evaluated. An administrator will send a memo to each of the student’s teachers for them to evaluate the student. A letter will be sent to the parents letting them know that their child is being evaluated. The student will be evaluated in the following areas: God (Activities, Attitude, Testimony), Others (Compassion, Cooperation, Influence, Loyalty, Obedience, Respect), Self (Humility, Initiative, Integrity, Responsibility, Self-discipline, Service). Once all of the evaluations are completed the administrator will compile the scores to determine an average. Anonymous comments will be transferred onto a master sheet. The administration and faculty will meet to discuss the scores. Then an administrator will meet with the student and his/her parents with the goal of pinpointing the problem and begin steps to correct it.

## Probation Candidates

1. Student will have a conference with an administrator to discuss the evaluation score.
2. Parents will be notified by letter and/or phone call.
3. The probation period will last for nine weeks.
4. Students must fulfill obligations (in and out of school) that are designed by the administration to help improve character quality.
5. At the end of the nine weeks probation period the student will be re-evaluated.
6. Unsatisfactory improvement will result in the student remaining on probation or being released.
7. A student remaining on probation after two consecutive nine-week periods may be released.
8. Students on probation who receive three “A” offenses or one “B” offense during a probation period may be released from CLA.

## Dress Code

While we realize that the Bible does not specifically tell us how we should dress or how our hair should be cut, it does give us some principles to follow. In light of these principles, we must set an institutional standard for our Academy. Our intention is not to say that a Christian who fails to meet our standards is sinning, but only that our students must meet this standard in order for us to be consistent in our enforcement of a recognizable code. Some general scriptural guidelines for dress are as follows:

- |  |   |
|--|---|
| 1. <b>Modesty</b> .....                      | 1 Timothy 2:9                                 |
| 2. <b>Distinction</b> .....                  | Deuteronomy 22:5, 1 Corinthians 11:14-15      |
| 3. <b>Identification with the Lord</b> ..... | 1 Timothy 4:12, Romans 12:1-2, 1 John 2:15-16 |
| 4. <b>Neatness</b> .....                     | 1 Corinthians 14:40                           |

## **Purpose of Dress Code**

1. To maintain a recognizable standard
2. To develop a concern for personal appearance
3. To provide an environment that is conducive to learning
4. To focus attention on Christ rather than ourselves
5. To avoid offending others by what we wear or causing others to stumble in their Christian walk

## Academy Details

### Academy Colors & Nickname

Christian Liberty Academy's school colors are blue and orange. Canefire was chosen as our nickname in the summer of 2004. Canefire was chosen because at one time our town of Kea'au was sugar cane country. The cane farmers used to set fire to the fields in order to burn off the impurities so that only the cane stalks remained. In the same way the Holy Spirit burns in us to remove all the impurities, preparing us for a life of service. Cane fire is two words; however for our purpose we have combined it into one word, *Canefire*, to emphasize our unity as one in the Body of Christ. In addition, we leave it in the singular form to further emphasize unity. We burn together as one flame, known as the Christian Liberty Academy Canefire.

### Academy Pep Song

Our alma mater is as follows, and it is sung to the tune of "Beulah Land".

*Hail to Christian Liberty, the blue and orange are fighting  
On the courts and on the fields, the Canefire make their stand.  
Fears and doubts and things of earth in vain to them are calling.  
Win the deeper vic'try – Oh C L A !*

*We're fighting in a battle that the world will never win.  
We're Monarchs in the Kingdom; We're joint heirs to the throne.  
Oh yes we're looking to the future when we'll wear a golden crown.  
For now we're fighting for C L A!*

Policies and procedures outlined in this handbook are subject to change at the discretion of CLA administration.
